

**NOTICE OF REQUEST FOR STATEMENTS OF
QUALIFICATIONS FOR
PROFESSIONAL ENVIRONMENTAL CONSULTING SERVICES
ON AN AS-NEEDED BASIS FOR FEDERAL AID PROJECTS
(File 997)**

The County of San Diego Department of Public Works invites qualified Consultants to submit a Statement of Qualifications (SOQ) to provide Professional Environmental Consulting Services On An As-Needed Basis. Consultant must demonstrate experience in the preparation of environmental documents required by various local, state and federal laws and policies. The consultant must be: experienced in applying the County's CEQA guidelines; FHWA NEPA guidelines; have recent experience in the preparation of a Mitigated Negative Declaration and/or Environmental Impact Report; and be experienced in applying regulatory guidelines. This shall include, but not be limited to, permits required under CWA Sections 401 and 404, ESA Sections 7 and 10, NHPA Section 106, and CFGC Section 1601. Knowledge of, and experience with, implementation of the state's Natural Communities Conservation Program (NCCP), the County's Multiple Species Conservation Program (MSCP), and preparation of County Habitat Loss Permit applications shall be required. Projects involving federal funds or permits may require that chief personnel hold certifications with other organizations, such as the Register of Professional Archeologists (ROPA). One contract is to be awarded for an amount not to exceed \$500,000 for up to five (5) years. Consultant services will be awarded by Qualification Based Selection. Contract award is projected for December 2009. Public Disclosure of Gifts and Campaign Contributions is required for contract award. Underutilized Disadvantaged Business Enterprise (UDBE) goal for this project is 3.5 percent. UDBE commitment and Good Faith Effort (GFE) submittals are required. SOQs must be received by **4:00 p.m. on Monday, November 30, 2009**, at the following address:

County of San Diego
